

Sports Medicine

Sports and fitness activities are important parts of a healthy lifestyle, but they can also lead to sprains, strains or fractures. Northwestern Medicine provides comprehensive surgical and nonsurgical care for all of your sports-related injuries:

Back and neck	Sprains and strains
Shoulder	Athletic performance issues
Hip	Fractures/stress fractures
Hand and wrist	Running injuries
Knee	Concussion care
Foot and ankle	Sports physicals*
Advanced arthroscopic surgery	

*Sports physicals are available at select locations.

Northwestern Medicine Orthopaedics
